This is to certify that

Clearview Intelligence Limited - Company No 02135788

Clearview Intelligence Ltd. Unit A4 Telford Road Bicester OX26 4LD

Has been assessed

by Thomas Smith for DigitalXRAID Ltd

against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: The live enterprise IT networks of Clearview Intelligence Limited, internal to the firewall boundary, inclusive of routers, switches, servers, computers and laptops/mobile devices owned by the company that are used to access business information.

Certification date: November 27th, 2017

Recommended re-assessment date: **November 26th, 2018**

Certificate no.: 5358157013782801

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
